

Lincoln Electric Presents TLC Star Chip Foose at Cleveland's I-X Piston Power Show

Company also named exclusive and official welding partner for this "Celebration of Speed," Sept. 30-Oct. 2 at the I-X Center

Cleveland – [The Lincoln Electric Company](#), the exclusive and official welding partner of the 2nd Annual IX [Piston Power Show](#), presents a special appearance by auto designer Chip Foose. Foose is the owner of Foose Design, a three time top hot rod Ridler Award winner and star of the hit TV show, [Overhaulin'](#), airing on TLC Network. Chip is also an avid Lincoln Electric equipment user and has designed graphics for the Company's VIKING™ auto-darkening welding helmets.

Chip Foose will appear on the main stage on Oct. 1, 2:00 p.m. during the I-X Piston Power Show at Cleveland's I-X Center. Chip Foose will also participate in a 'Chip's Choice' competition, selecting his favorite pick of vehicles at the show.

As the exclusive and official welding partner of the show, Lincoln Electric will showcase its products designed for the consumer/hobbyist market at its own booth and during special how-to demonstrations throughout the event. Lincoln Electric will offer special reduced prices for orders placed during the I-X Piston Power Show.

Dubbed a "Celebration of Speed," this motorsports extravaganza fills the massive I-X Center with various specialty vehicles, including custom and classic cars, motorcycles, power boats and historic aircraft. The show is billed as the "largest indoor showcase of cars in Ohio under one roof."

To talk to Lincoln Electric welding experts about your latest project, ask welding how-to questions or purchase the latest welding equipment, visit the Lincoln Electric booth throughout the show. Show hours are Friday, 3 p.m. to 9 p.m.; Saturday, 10 a.m. to 9 p.m.; and Sunday 10 a.m. to 6 p.m.

The I-X Center is located at One I-X Center Drive in Cleveland on Route 237 adjacent to the Cleveland Hopkins International Airport. It is easily accessible from I-480, I-71 and the Ohio Turnpike.
