The Summit Cleveland Gold Cup:

The Summit Cleveland Gold Cup Award was established to recognize an outstanding entry being shown for the first time in the Cleveland metropolitan area, or Greater Cleveland as it is more commonly known. The five-county Cleveland (MSA) consists of Cuyahoga County, Geauga County, Lake County, Lorain County, and Medina County. The rules to qualify for this prestigious award are as follows. All qualified entries must be shown for the first time in the Cleveland MSA. All qualified entries must be current registered ISCA members. The Gold Cup Award will be decided by the ISCA judging staff. The Gold Cup Award carries with it a \$10,017.00 cash award.

The Duck Award:

Roy E. Schabel was not a celebrity, but a person who loved motorcycles and people. He had the ability to bring a spark of life to those around him, just as he did to a freshly built motor. Known only as "Duck", the Litchfield Township businessman never used his real name with any lending institution. There were only a handful of people who knew him by his real name. Duck was a Vietnam veteran who acquired his nickname doing Donald Duck impressions for friends and operated Duck's Putter Parts. The duck paraphernalia that adorned his motorcycle repair shop was a testimony to the name recognition that it gave him both personally and professionally. People came from across the country to have him repair their motorcycle engines and transmissions. Over a period of twelve years Duck judged motorcycle entries at the Cleveland Auto-Rama. As a judge, he was impartial and fair. When Duck became a judge, the problems associated with awarding motorcycle trophies disappeared. Most of the entrants were entertained by Duck's impersonations after the show closed, although very few people knew he was doing them. Roy's life was snuffed out on October 2, 1988 when a drunk driver swerved left of center and collided with his motorcycle head on. We at the I-X Piston Powered Auto-Rama will continue to honor Roy E. "Duck" Schabel with an ongoing award in his name beginning in 2005. The Duck Award will be decided by the ISCA judging staff. This prestigious award will carry a cash award of \$2500.00. The award will be given to the best first-time shown motorcycle that exhibits the most creative originality, design engineering, and workmanship.
