**THE SUMMIT RACING EQUIPMENT I-X PISTON POWERED AUTO-RAMA  
WELCOMES THE FATMAN'S INVASION TO  
THE ALL-STAR SHOW AT THE I-X CENTER**

**Cleveland, Ohio (Thursday, January 10, 2019)** - The Summit Racing Equipment I-X Piston Powered Auto-Rama, celebrating 53 years at the I-X Center, March 15-17, continues its reputation for showcasing All-Star cars with a brand, new feature from Fatman's Invasion. From Euros, Imports, Sport Compacts and Low Riders to Modern American Muscle, Car Clubs and more, Fatman's Invasion is taking over the South Hall with more than 100 vehicles.

"We have one simple goal for this show and it's to create a show that is new and fresh every year," said Show Manager, Steve Legerski. "This partnership with the team from Fatman's Invasion connects us with new and upcoming enthusiasts, which includes the Euros, Imports, Sport Compacts, Low Riders, Modern American Muscle and Car Clubs."

"Fatman's Invasion began in 2009 as a gathering of car enthusiasts and has turned into one of the largest non-segmented events in Northeast Ohio, said The Fatman himself, Adam Hurt. "Sharing a similar philosophy as the Piston Powered Auto-Rama, "If it has wheels, bring it," it was a no brainer to partner for the 2019 show and bring Euros, Imports, Sport Compacts and Low Riders to the South Hall under the Fatman's Invasion of South Hall."

All South Hall vehicles will be entered under the I-X Piston Powered Auto-Rama Driven Series. These vehicles will be judged by the ISCA/Summit Racing Equipment judging team and five (5) will be crowned as the Fatman's Fave Five. Fatman's Invasion prides themselves as relaxed, family-friendly enthusiasts and open to every car community. "Fatman's Invasion will add a LOT of horsepower to the show and we look forward to a long relationship with them," said Legerski.
