*NOTE: This is for all Main Hall spots on the floor including the motorcycle spots and all 20' x 20' feature spots. All of our car clubs have already submitted their requests for the 2020 show.

The Hot Rod Asylum hosted by the Slick Devil's Car Club and the South Hall hosted by the Fatman's Invasion will be screening applicants in January and February.

We have one simple goal for the I-X Piston Powered Auto-Rama and that's to create a show that is new and fresh every year!

As large as the I-X Center is, we have a finite number of spots on the show floors. The Committee prioritizes these spots based on various criteria including but not limited to:

- The customization of each vehicle
- The number of similar vehicles in the show
- The timing of each entry
- The "newness" of vehicle(s)
- The number of consecutive times an individual's car has been in the show
